## Staying safe on the internet

There are lots of fun things that you can do on the internet and it is a great way to stay in touch with people.

Here are a few tips to staying safe on the internet.

If you do not know someone on the internet, you can ask someone to check if they can be trusted.

Be careful about sharing information about yourself on the internet. Keep your address and telephone number a secret.

Be careful about sharing pictures. If you do not know someone, make sure they can be trusted.

Always keep your bank details a secret if someone asks for them.

It is usually safe to buy something online and pay for it. If you are not sure, ask somebody.

Keep your all your passwords a secret.

If you think that you are being bullied on the internet, speak to someone. There are things that you can do about it.

You can get some advice from us by sending an email to:

## If you think that someone is bullying you on the internet

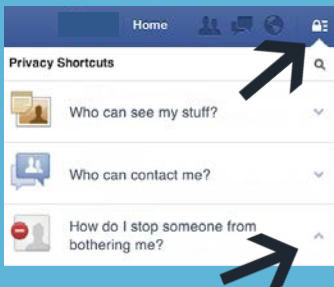

Tell the website that you are using. You might be able to do this on their site or there might be an email address you can write to.

Save the message from the person bullying you.

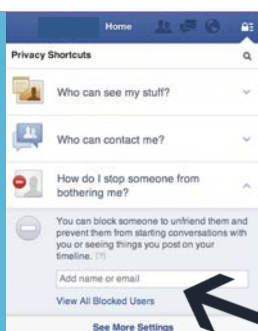

Avoid writing to the person bullying you.

If you use Facebook you can stop someone from contacting you by:

- clicking on the padlock picture
- click on the words

How do I stop someone from bothering me

You can then write their email or name and they will no longer be able to contact you or read your posts.
